Fakemon Rom Hack List

Fakemon Rom Hacks List

A list of Pokemon GBA Rom Hacks with Fakemon.

Please help improve this list! If you know of a game with Fakemon that isn't listed or if there is a hack that doesn't belong here, please let me know in the comments.

Note: This list is far from complete. These are just the hacks I could think of off the top of my head. Let me know what's missing.
